

## Isabella's Garden – This is the tree

### For the craft activity, you will need

- 1 sheet of paper or card/back of a cereal packet
- 1 toilet roll tube
- red and green crayons
- Scissors
- Pencil
- Glue
- Red and green paint
- A plate or a saucer

### This is the Tree that we made ...

- Draw a rough outline of a tree trunk on your paper
- Cut the toilet roll tube length ways so you have lots of thin strips of card
- Stick some strips vertically on the tree trunk
- Use half of the remaining strips to stick onto make the branches
- Cut the remaining strips in half again so you have thin strips
- Then cut those strips in half and stick on to create more branches
- Put a little red and green paint on a saucer, being careful not to mix them
- Dip your finger in red paint and make prints on the tree for apples
- Now do the same with green paint
- Paint or colour the base of the tree for grass
