

## Isabella's Garden – These are the flowers

### For the craft activity, you will need

- Sheet of paper
- Crayons
- Scissors
- Pencil
- Magazine pages, wrapping paper, coloured or white paper
- Glue

### A Flower

- Fold your coloured paper or magazine pages and cut 10 leaf/petal shapes out
- Choose 2 for leaves and 8 for your flower petals
- If you are using white paper, colour 2 leaves green and 8 petals any colour you like
- Draw a green stem in the middle of your page and stick the two green leaves on at the bottom
- Take you 4 of the petals and wrap each one carefully round a pencil so you have a curl in the end of the petal
- Stick the flat petals one at a time at the top of your stem
- Next stick the 4 curled petals on to create the head of the flower

### Isabella's Story picture

You can do this straight onto the Isabella's Garden picture we have been creating if you'd prefer – or draw a flower directly onto your picture
