Our craft activity is to make a Sun Wand and you will need

- 2 x paper plates or two large circles cut from card about 16cm in diameter
- Scissors
- Yellow Paint or yellow crayon/felt tip
- Glue
- Ribbons or strips of coloured paper/tissue paper
- A long stick

How to make your Sun wand

- Cut out 2 circles from card – about the size of a small plate and colour them yellow
- Cut one circle up into 8 like cutting a cake – this will make 8 triangles
- Give your sun two eyes and a smiling mouth
- Stick the triangles around the sun to make the rays
- Cut some strips of coloured ribbon, tissue paper, coloured paper and stick them on to the bottom of your sun so they hang down like rays of the sun
- Fasten a stick to the middle of the back of the sun
- **Now you have your Sun Wand**
